SPECIAL TREATISE PART 3rd. A Practical Treatise on the Disease Peculiar to the Genital Organs of the Female Sex:

eighty-eight electoral votes—thirty-nine more than is necessary. There are other States that will most probably vote for Mr. Buchanan, so that his majority of electoral votes over Fremont will be little less than Gen. Pierce obtained in 1852, over Scott.—Cin. Enquirer.

A Fusion Leader.—The Cincinati Enquirer says, Dearborn county. Indiana, in which Jim Lane, the great hero of the Shrickers, resided, gives and in creased Democratic vote of three hundred. "Jim" illustrates the proverbase in his own country." It takes a very long distance to lend enchantment to such heroism as this Kansas champion has exhibited. The attempt of the Black Republicans to make a hero of Lane has served as an excellent capital for the Democrats of Dearborn.

The states that will most probably with directions, giving the very best treatment is cach particular disease, as derived from Bospita in particular disease, as derived from Bospita cach particular disease, as derived from Bospita in particular disease, as derived from Bospita in particular disease, as derived from Bospita cach particular disease, and from the writing from the writing from the writing for the most celebrated Physicians and Obstetricians of Europe and Article on sterility—its cause and cure; An Article on Generation or Reproduction:

An Article on the Theory and Practice of Midwife-ry, with plain directions how to induce, and Article on the Production of Males or Females, in an Article on the Production of Males or Females, in an Article on the Production of Males or Females, in an Article on the Tecrois day particular disease, and
